Business owner and Action Coach Gregg Kerr will teach at the Profit Club, which meets on Wednesday nights in Redlands, California. The first class is free. Call today to book.

Even in this challenging economic time, certain businesses are not just surviving; they are thriving. How is this possible? Successful Inland Empire entrepreneur and business coach, Gregg Kerr, insists the answer is simple. Some business professionals know what the rest of us do not. They understand that the secrets for energizing any business plan are linked to a system Kerr, of Action Coach, calls the "Five Ways."

Owner and operator of Save Time Automotive in San Bernardino, Kerr will share the secrets of his success in a free business seminar to be held in Redlands, at 710 Brookside Avenue, Suite 3, on Wednesday, September 23, at 6 o'clock pm. Hosted by Larry Hoatson, of Pacific Financial Group, the seminar is part of a six-week business course called the Profit Club.

Gregg Kerr's auto repair shop, Save Time Automotive, is located in San Bernardino, California. Also an Action Coach, he uses his wealth of experience to share tips for success with other entrepreneurs. With a client- list which includes representatives from virtually every industry, Kerr teaches in several formats, including one-on-one meetings, in group settings on a short-term basis, or over several months.

Call today to RSVP, as space is limited, 909-754-7853 (Gregg Kerr) or 909.748.5658 (Larry Hoatson). If you miss the first class, there is still time to join the club.
